Description: Paprika Oleoresin 100 000 CU Blend is a red viscous liquid derived from the extraction of the pods of the sweet pepper variety *Capsicum annuum* L. The blend is made up of oleoresins of various strengths and stabilised with antioxidants.

Use: Paprika Oleoresin 100 000 CU Blend provides a dark red to orange shade. This food colourant is widely used in various applications such as meat products, food coatings, popcorn oil, orange juice, spice mixtures, sauces, sweets, and cheese. Not for direct consumption, used as an ingredient. Paprika Oleoresin 100 000 CU Blend is oil soluble.
